

GLENN BECK & MITT ROMNEY are both DEVOUT MORMONS.

Knowing that, consider these “Top 10 Facts” we found
by an unaffiliated author, Jill Martin Rische ...

Top 10 Amazing Facts of Mormonism

(and we're not kidding, see the back for verification references)

1. Mormons can become *gods* and *goddesses*.
2. Goddesses will spend eternity in *full submission* to their god-husband.
3. Mormon women will give birth “forever and ever” to spirit-babies.
4. Mormon men can have multiple wives in heaven—eternal *polygamy*.
5. *Heavenly Father* is an exalted man who lives with his goddess wife, *Heavenly Mother*, on a planet near the great star Kolob.
6. American Indians are descendants of the wicked Lamanites, who were Israelites that God cursed with dark skin.
7. God the Father had sex with Mary to conceive Jesus, who is the half brother of Lucifer.
8. All Christian churches are an abomination.
9. Mormons need 4 secret handshakes to get into the Celestial heaven.
10. Joseph Smith revealed that the actual Garden of Eden is in Jackson County, Missouri.

...and Glenn Beck has the nerve to call millions of bible-believing Christians that merely want to see the evidences of 9/11 re-investigated... “nutjobs”?

[1] *Journal of Discourses 1:50-51; J of D 8:115; Doctrine and Covenants Section 132:20* [2] *Doctrine and Covenants 84:33-9*; Goddesses are always subject to a god. “In the LDS universe, theologically described as the *real* eternal universe, each man who achieves the highest degree of the Celestial Kingdom is worth many times more than each woman, even the women who qualify at that highest Celestial level, because each man who achieves Godhood-level may have numerous God-wives, but each God-wife may have only one husband. This can only mean that each "heavenly father" is worth *many times more* than each "heavenly mother." [4] *Doctrine and Covenants 132*; Brigham Young, *Journal of Discourses 11:269*; Men can still be sealed for eternity (not time) to women other than their wives; “The practice of polygamy has been discontinued, but the doctrine of polygamy has never been revoked. *D&C 132* is still part of the LDS canon. And some current church practices are still based on polygamous principles.” See pro-Mormon site <http://mormonopenforum.blogspot.com/2005/08/02/eternal-polygamy/> (accessed February 25, 2007). (Yeah, I think we can safely say that Mr. Beck has got some hard-core Spirit-filled discernment going on, wouldn't you say? Yeah, right!)

Glenn Beck is to the Tea Partiers, as Osama Bin Laden was to the Taliban... both leaders were cleverly created and carefully inserted intentionally into their masses to incite immature hostilities, resentments and confusing diversions, thereby successfully pitting one nationally suicidal herd of brainwashed cattle against the other, directing the pent up energies away from the true enemy (the satanic globalists) and right into the waiting trap of mass confrontation and war, where an ultimate goal is achieved: *mass death for all their successfully conditioned kamikaze slaves on both sides!*

Glenn Beck can cry at will for the camera (search “glenn beck crying” on youtube and watch for yourself) yet has the rodeo clown foolishness and insulting character that our American Christians have come to accept as “normal” now.

Mitt Romney is the more serious side of the Mormon's (Masonic) plan to distract the masses as he is their “professional-looking” hero and is likely the “groomed” candidate that is being prepared to be the next “lesser of two evils” to suddenly step in and save America (just like the ten groomed presidents before him did, right?)

How sad it is to watch the cattle going off to their own slaughter in their 501c3 huddled masses, both physically and spiritually.
