

Side by Side Comparisons Between the Ancient Exodus out of Egypt and YHWH's Call to Come Out from Among that Same Evil System Today.

We could either come out obediently and peacefully, or ... expect that billions more of us might die first.

Ancient Israel's flight from tyranny From around 1491 B.C. to 1451 B.C. (40 years)

The centuries-old N. American flight from tyranny A faith-diminishing struggle starting around 1517 A.D. to ?

YHWH finds mercy for Israel and calls His people out of Egypt.

YHWH again finds mercy for His remnant and calls a Puritan-styled Israel out of Europe/Rome's Dark Ages, which was akin to Egyptian slavery.

Pharaoh follows the Israelites openly with intimidation of sword and chariots poised to slaughter, but YHWH defends His loved ones with a safe way of escape across the sea. (see Exodus Chapter 14)

Pharaoh (pope) pursues the Puritans to the west via Jesuits, etc, secretly infiltrating our churches, where we then deny YHWH's authority ourselves, thereby disarming us of YHWH so they can then safely 'cross' the Atlantic en mass and re-enslave us.

The people are tested in the wilderness to see if they will follow the Father's law or no, briefly building themselves a golden calf. (see Exodus 16:4; 20:20 & Ex. Ch. 32)

The people are tested in the wilderness of America (**but instead ratify and keep!**) themselves a huge golden calf system opposing the Father's, praising and living in it's provisions for hundreds of years.

3,000 were slain at Mt. Sinai, warning all that remained to cast away their Egyptian ornaments (all remaining idolatry), where they wandered very uncomfortably in the wilderness until they begrudgingly did so. (see Exodus 32:28; Ezekiel 20:3-13 & Ex. Ch. 33)

3,000 were slain on 9/11 as a warning to all of us to cast away our remaining idolatrous securities and 'beast system' amenities as well. (Zeph 1:16; Rev. 18:4)

So, which road will we choose as a nation ???

It takes roughly 40 years, but the Israelites make the simpler, wiser choice and are rewarded with protected peace in their own new land of milk and honey for many generations to follow.

THE EASY WAY
America complies and the Saints of the world begin to peacefully inherit the kingdoms of the earth, with YHWH pummeling the tyrants for us. (2 Chronicles 7:14)

The righteous hidden (see Zephaniah 2:3)

THE HARD WAY
America continues to snub their noses at YHWH and His law, which sends us into "**the Day of the Great Slaughter**" (see Isaiah 30:25)

With untold multitudes dying everywhere, and YHWH's door closing, the weaker of Spirit will not be able to repent. (see Ezek Ch 39; Prov. 1:24-33)

Will a few hearts (like the thief on the cross), just barely make it? (see Zech 14:16-19)

A **huge** number of lost and hopelessly rebellious are eternally condemned to hell.
