

THE REAL BATTLE

How do YOU see this battle of the so-called “war on Terror” and what is going on?

Are you being tricked by one side or the other in either layer of deception?

Joe Average

Outermost or first layer of deception

Today’s Zionist Neo-Evangelical chattle (created by “them which say they are Jews, but are not”)

VS.

Today’s Radical Islamist chattle (created by “MYSTERY BABYLON, MOTHER OF HARLOTS”)

Earlier, deeper, better-established layer of deception

Kabbalist/Rabbinical “Judaism” (usurpation of YHWH’s truth under an “Old Testament”-flavored disguise going back to the days of Egyptian captivity and perhaps beyond)

VS.

Roman Catholic “Christianity” (usurpation of Yeshua’s truth under a “New Testament”-flavored disguise, having begun in cooperation with the kabbalists at about the approximate times of Constantine)

The Real, Actual war is spiritual!

YHWH/Yeshua
And those who worship (obey)
His ways

VS.

satan
And those who worship (obey)
his ways

Can you see through the deceptions to the real battle?

There are many other extracurricular layers, and... in many other areas of this global mess. But the ones that they most want the bulk of you terrified by is the one at the top. If you are overly concerned about the top layer being a reality and danger to you, they have already defeated you, and you are marked with fear. If you see through the lies, and embrace the whole majesty, truth, and authority of the Father in heaven, you are comforted with His truth and thereby likely marked by Faith.
